# World City Times

Leaving or going to work will be  
 more common than ever before  
 as a result of the recession. People  
 are not going to work as much  
 as they used to. This is because  
 many people are out of work  
 and are looking for a new job.  
 This is a good thing because it  
 means that there are many  
 opportunities out there for  
 people who are looking for a  
 new job.

It has been a long time since  
 we have seen a recession like  
 this one. It has been a long time  
 since we have seen a recession  
 that has lasted as long as this  
 one. This is a good thing because  
 it means that there are many  
 opportunities out there for  
 people who are looking for a  
 new job.
