TIE FIGHTER PILOT™

STAR WARS

**Welcome to your new
LEGO® Star Wars™ building adventure.**

Helmets are an iconic part of the *Star Wars*™ universe, and we're proud to present a line of construction sets that fans will love to build and display.

When you build your model, you'll see we've worked hard to stay faithful to the original designs. We've also brought the helmets down to a scale that's easy to put together, practical to display, and beautiful to look at.

Happy building!

A handwritten signature in white ink that reads "Jens Frederiksen".

Jens Kronvold Frederiksen
Creative Director, LEGO® Star Wars™

75274 TIE Fighter Pilot™ Helmet

No list of *Star Wars* universe icons would be complete without the TIE Fighter pilot helmet. These fearsome pilots have been a symbol of the naval might of both the Galactic Empire and the First Order.

The model you're about to build is based on the classic TIE Fighter helmets from the original film trilogy.

Our goal was to design a cool and sleek display model, with the level of great detailing you've come to expect from LEGO® *Star Wars*.
